

# Advanced Continuing Education Systems Live, Dental CE Webcast Seminar Enrollment Form

## LIVE Webcast Dental Seminars

### Until Now, Getting Live CE has Entailed:

- Closing Your Office
- Losing a Day's Production
- Driving to a Distant Seminar Location
- Paying Large Fees to Earn Your CE Units

A.C.E.S. is the first company to offer a series of live, weekly dental webcast seminars.

**IT'S EASY – No Computer Skills Needed**

### Commonly Asked Questions:

#### What is a Live Dental CE Webcast Like?

Attending an ACES live webcast seminar is just like attending a hotel seminar, except you will view and hear the seminar from your computer. Like a hotel based seminar, you will receive a course syllabus.

#### Will I Need Special Computer Equipment?

**NO!** If you can hear sound on your computer (music, video or other sound), then you can attend a live webcast. ACES seminars work on both Microsoft and Apple systems.

#### Are A.C.E.S. Webcasts Interactive?

**YES!** Participants are encouraged to ask questions and make comments. You can interact by typing your questions on the special webcast chat board. If you have a microphone on your computer, you can directly speak with the moderator.

#### Do Live Webcasts Qualify as Live CE Units?

**YES!** All ACES webcasts are hosted live and are interactive. Participants receive a course syllabus and are required to take a post-course examination (just like at a hotel based seminar).

## LIVE WEBCAST COURSES OFFERED 3 Live CE Credits Each

For the most current schedule of webcast courses, view the printable 'webcast course calendar' found on the ACES website.

### Seminars from a Dental Perspective

- Halitosis – Causes, Diagnosis & Therapies
